

Hornsby District Little Athletics Centre Inc.

(Established in 1969)

PARENTAL OBLIGATIONS

This form must be completed by a parent/guardian at the time of registration or the athlete's registration will not be accepted.

Please note: Athletes must have a parent/guardian in attendance at all times during competition days. Parents/guardians are responsible for their own children.

I understand that I am required to be a parent helper at least every fortnight.

Parental participation is essential for Hornsby District Little Athletics Centre to operate successfully.

A registration requirement at Hornsby District Little Athletics Centre is parent/guardian agreement to help at the programmed competition at least once a fortnight as an Official or helper, or in the canteen/BBQ.

Anyone can help in some way, e.g. measuring a distance at a field event, timing a track event, place judging at a track event, replacing the high jump bar after a jump, raking the sand pit or writing times/distances on recording sheets, to assisting with data entry in the computer room or even selling raffle tickets.

I am interested in becoming a Key Assistant.

Key Assistants coordinate/control the running of a track or field event to ensure their smooth operation. This may be as a track starter/timekeeper or a coordinator at a jump or throw event.

I would like to nominate to be an Age Manager.

Age Managers are parents/guardians who volunteer to oversee their assigned age group each week, accompanying the athletes during competition and providing assistance and support to their athletes. They also check and validate their athlete's results from recorded information on the Centre's computer system.

I would like to assist in the operating and improvement of Hornsby District Little Athletics Centre by nominating as a Committee Member.

Check with a current Committee Member as to vacant positions within the Committee.
